

Pictures of the Conference Centre for the First Gerhard Reisch Symposium with Seminar

We will be meeting in the Great Library of *Kloster Fischingen*.
A circle of c. 50 seats will be placed around the inlaid Star on the floor.
Around this c. 12 original pictures by *Gerhard Reisch* will be placed.
Fresh spring water will always be available in the Great Library.
The Benefit Concert from *Earthwards* will also take place here.

In the Refectory we will enjoy fresh whole food service three times daily.

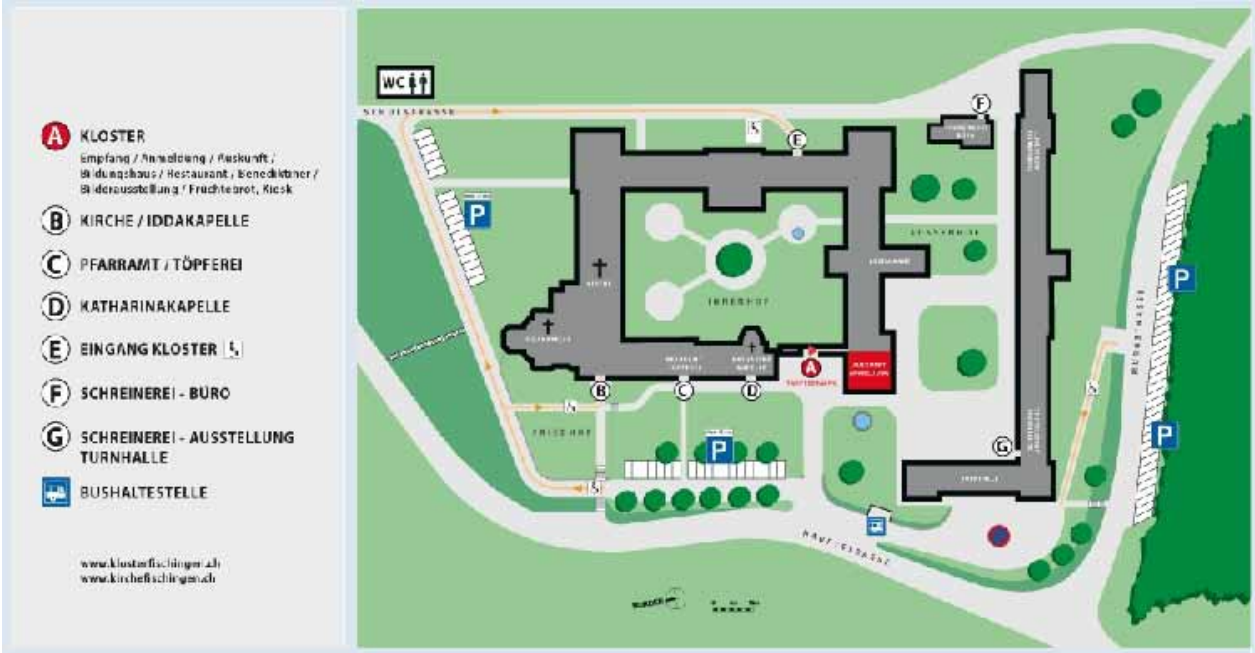

We can retire in 25 two bed rooms which are lovingly cared for (23 are Ensuite). The finely sculpted doors to the bedrooms are blessed with the names of individual Saints. Bedlinen and bath towels are provided for those who sleep in the 18 bed dormitory.

The three Media Rooms (see the Programme) will be set up in such seminar rooms. These will also serve us as rooms for small group work as required.

Sometimes we will want to work in and around the Kloster ...

In the Inner Court ...

In surrounding countryside ...

Between arriving and leaving ...
