TI 19	Kamaloka

TI 38	Souls before Incarnation

Hard was the way through the streams of time
 unto the dark portal of death.
 Hard was the soul's struggle to free herself
 from the earthly body
 And black fear crushed her.
 But peace enfolded her protectively
 In wide spread wings.
 Then the light of the spirit world shone forth,
 And the souls of friends welcomed me.
 Gravely stands the shimmering guardian,
 And the soul has trust in what is to come.
